**\*\*For the flying and the dreaming\*\***

I'll fly on cold tempestuous skies

With ne'er a fear of falling

And gladly fly the years of life

If you stay with me.

Nor scorching sun

Nor freezing cold

Will stop me on my journey

If you promise me to hear

And stay with me for eternity.

My dearest one, my darling dear

Your kind your astound me  
But I've no need of kind deeds  
To know that you love me.  
You don't need fish or something else  
To prove that you're my friend  
'Cause in my heart I know you know  
That I'll be with you forever.  
This brotherly bond  
That we've made with fire and pain  
Flying and dreaming  
Is never going to break again  
'Cause with you I'll stay
